Fund-raisers for charities and community organisations in the Heart of England

MIDLANDS COMMUNITY DRAW 2019

This concept is designed for any small group or organisation in the Midlands area struggling with limited funds to meet necessary and vital activities and projects

Your local Rotary club is offering you a solution with an easy, proven way to raise money without risk, taking little time to facilitate

It works by Rotary Clubs supplying groups, clubs or organisations with as many raffle tickets as they are able to sell (Lots of 100 in books of 5)

A website or Facebook page will be created, listing the names of participating Rotary Clubs with their contact details including messages from sponsors. The tickets will be printed, the gambling license obtained and the substantial cash prizes provided at no cost.

It is a very simple way to enable Rotary Clubs to assist organisations that have limited fund-raising ability. It's helping them to help themselves.

First Prize

*** £ 1000 ***

with additional cash prizes
Tickets will be available for sale from 1st March 2019
with the draw being held in November
(in Solihull)

Your name and logo will be printed on your tickets, associating each organisation with 'Midlands Community Draw 2019'. Flyers advertising the draw can be provided.

For every 100 tickets sold at £1 each the fund raiser keeps £80. The remaining £20 to be returned with sold ticket stubs to the originating Rotary Club that supplied the tickets, as this funds all costs & prizes involved in running the Draw.

Rotarians are volunteers, and like so many of you, are dedicated to assisting our communities by offering our time & skills to benefit others

Rotary Clubs do not make any profit from Midlands Community Draw 2019 which is run solely to support local community organisations.
